Awakening Wonder

BIG KID CAMPS for ages 6 to 12

For children who have completed First Grade through those who have completed Sixth grade.
9:00 am to 3:00 pm

Week 1: Magic, Myth & Alchemy, June 26 - 30

This week we'll explore a menagerie of mythical creatures, create a colorful circus, learn about magic tricks and brew kitchen concoctions yummy enough for the fussiest unicorns. Through art, creative theater and kitchen science, we'll explore our inner magic and learn about the many golden talents we bring to the world!

Week 2: Fantastic Fiber Fun, July 5 - 7 (\$165)

Through directed study, campers learn the ins and outs of fiber. From natural shibori dyeing, yarn painting, felting and knitting, we'll explore the culture and story of cloth with the greater message that it takes many small threads to create a strong community.

Week 3: HeART Week, July 10 - 14

Turbo charge your art experience! We'll move muscles, play music and lead with your hearts, creating art from new media each day. This is sure to be a camper and counselor favorite! With daily introduction to famous artists throughout history, this is an epic art lesson not to be missed, with the biggest message of all: we are all artists in our own way!

Week 4: Travel the World in 5 days, July 17 - 21

World-traveling counselors take campers on a week long journey to discover new territory. Visit a new country every day - Peru, Switzerland, Bolivia, Prague, and Nepal - learning about geography, culture, festivals and, most importantly, homemade cuisine!

Week 5: Cosmos & Crystals, July 24 - 28

The elemental forces that create and shape our universe are vast, mysterious and worthy of exploration! Rock hounds will study gems and crystals, then gaze up to learn about constellations with week-long activities emerging from the four foundational elements - earth, air, water, fire - and the kingdoms they reign!

Week 6: Trash to Treasure, July 31 - Aug 4

What can we do with all this stuff too cool to recycle just yet? Learn about sustainability, our fragile environment and how to create art from anything! Bring interesting (or ho-hum) recyclables and we'll build a wonderful week of turning well-known trash objects into beautiful creations.

Week 7: Magic, Meditation & Sacred Geometry, Aug 7 - 11

We'll ask questions of the natural world this week - why are shells so perfectly formed? Is it magic? No, it's geometry! While exploring the many ways geometry appears in nature, we'll also turn inward, learning thoughtful, simple insight and practice forms of meditation and yoga this week.

KINDER CAMPS for ages 4 to 6

For children age 4 by the first day of camp through those who have completed Kindergarten.
9:00 am to 1:00 pm

Week 1: Earthworms & Ladybugs, June 26 - 30

The children will explore the wonderful world of worms and insects through observation, stories and songs.

Week 2: Rainbows & Polliwogs, July 5 - 7 (\$135)

Whether you find us engaged in water play, watercolor or simply munching watermelon, there is bound to be water involved throughout the day.

Week 3: A Flurry of Fairies, July 10 - 14

Children will have the opportunity to soak in the natural world by tending to the garden, digging in the sand, and splashing in the water while keeping an eye out for our fairy friends.

Week 4: Jump, Skip & Hop, July 17 - 21

Let's have a fun week of movement including interactive and fun games that will delight the children.

Week 5: Once Upon a Time, July 24 - 28

Rich stories and fairy tales will make for a wonderful, magical week.

Week 6: Magic & Mud, July 31 - Aug 4

Mud, marvelous mud! Mud pies, mud muffins, mud canals and roads - this is the week to wear rubber boots, turn on the hose and make a magical mess. We encourage free play in all our Kindergarten camps and we sure aren't afraid of a little dirt and water. This is how children inadvertently learn about everything from the natural world to hydrology!

Week 7: Knights & Dragons, August 7 - 11

Through brave free play, manners are practiced through chivalrous deeds and patience through art-based projects. This camp is sure to please both the lion-hearted and the shy unicorns in your family.
