Board Meeting Invitation

Enrollment Drawing and a Quick Survey

8th Grade Presentations and Graduation

Summer Camp status

The Board of Trustees invites you to attend an open board meeting on Thursday, May 14 at 8pm. We are hopeful this time will accommodate early bedtimes but if not, we will record the session for future viewing.

The Board will provide an update on the school's financial status and also discuss future fundraising ideas and opportunities.

Zoom invites will be sent on May 14. Please join us!

## Enrollment

In an effort to understand our enrollment potential for the next school year, we encourage everyone that is able to complete their enrollment. As an incentive, we will hold a drawing during the May 14 board meeting. Everyone that has

enrolled will be entered to win a \$200 gift card to Hearth, generously donated by Board President Kim Thomas.

## We're trying a new survey

Knowing our enrollment numbers for next year is imperative for faculty planning and for ordering supplies. Will you take a few moments to confidentially let us know your plans? It will take about 30 seconds.

I have 30 seconds!

**Summer Camp Update**

With the current guidelines set forth by the Governor's office, we have determined it is not feasible to open summer camp as expected. Licensing has told us they are working with the state to try to find a solution. If the rules are amended to allow for a meaningful summer camp, we will reassess our decision at that time. With what we currently know, **summer camp will not begin before June 22 at the earliest.**

Please continue to check in with us as we make adjustments to the schedule. Should summer camp be postponed until later in the summer, we will forward credits to future weeks or issue refunds. Should summer camp be canceled completely, we will issue full refunds for registrations.
