## The Fish Pond at May Faire

Does your child love to fish? If yes, the fish pond at May Faire is the place to be. For just one bean your child can try to catch a treasure. If you like fishing, please consider volunteering at this always popular May Faire attraction.

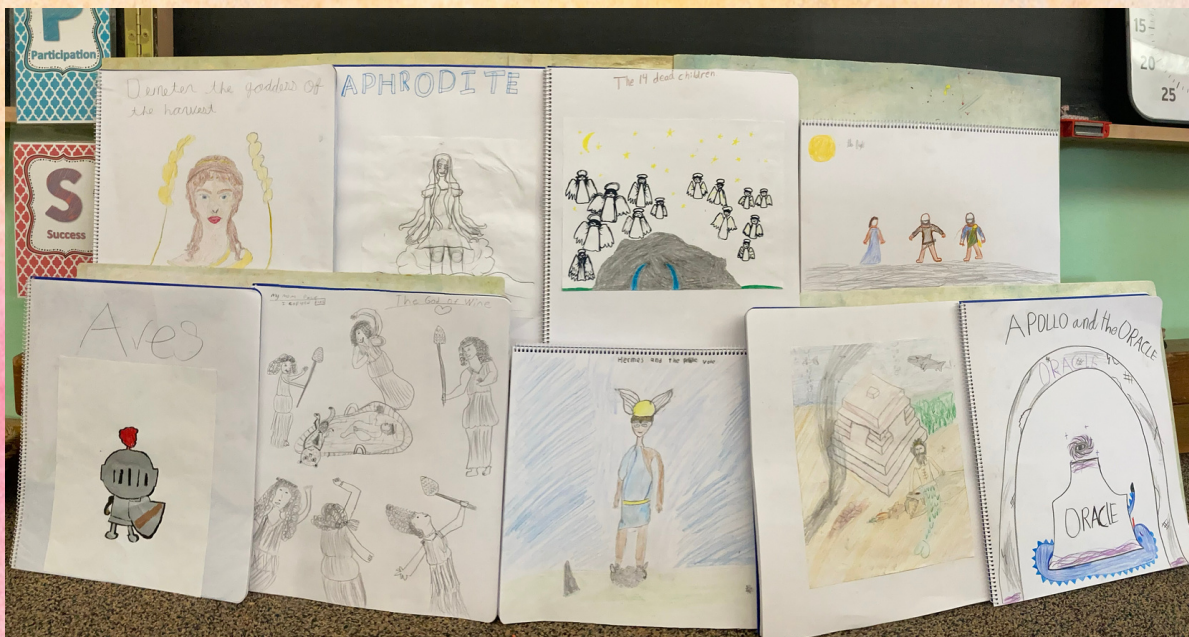

## GRADE 2/3

**2/3 spent time during our Bog Walk last Friday to help clean up our lovely park in celebration of Earth Day! The children had lots of fun and really got into the work!**

## GRADE 4/5

Grade 4/5 has been studying Ancient Greek mythology and this week each student selected a Greek god or goddess to read about, draw, present on, and write about. The class has also been training outside for the events in the Pentathlon that will take place in May. It's been a busy week of diving into Greek mythology with singing, games, and writing odes!

## GRADE 4/5

Grade 4/5 has finished writing their odes to the Greek gods and goddesses. In order to perform well in their upcoming Pentathlon, the students are seeking the support of the gods and goddesses they have been hearing stories about for the past three weeks. This week they have been learning about Heracles and the twelve labors he completed in order to be granted immortality.
