Annual Giving Update

Congratulations to us all! Together we've raised \$62,051.87 during our Annual Giving Campaign! Thank you to everyone who donated. Your donations have already made a huge impact on our budget and I can't tell you what a relief that is! THANK YOU SO MUCH!

**TEACHER
HOUSING NEED!**

Housing

Mr. Tyler, our beloved Fireweed Kindergarten Assistant, is looking for a new place to live. He would prefer someplace close to school for under \$900/month. Does anyone know of anything available? If you do, please contact him directly at (907) 232-4156. Thank you!

**Craft Guild is every Wednesday 8:30-10:30
in the Handwork Room**

AWS Craft Guild is a wonderful way to gather with other crafters and help our school to make items for our store, special events, or just to craft together.

This week we are currently working on fall crafts for the school store.

COMMUNITY SHOWCASE

Busy Bee Construction is a local boutique construction and remodeling company based out of Chugiak; serving Anchorage and surrounding areas. We focus on unique, specialty projects especially those that involve blending fine woodworking with tile and stone. Mantles, bathrooms, kitchens, Tiny Houses and custom wooden furniture are a few of the services we offer.

Construction

We also tackle smaller handyman projects, such as hanging pictures, floating shelves, fixing stuck doors, painting, flooring, closets, backsplashes, and most of your renovating needs.

In addition we recently added a small CNC to our services, perfect for making small engravings for special occasions such as an anniversary, or a sign for your small business.

When you want that extra level of detail we can help :)

Please let Holly (office@waldorfak.org) know what time you are available. We would like to have at least one parent each hour to be ready to talk about Waldorf Education and our Amazing School to Anchorage parents.
