A NOTE FROM OUR ADMINISTRATOR

May Faire is just around the corner - we need one parent from each class to participate in the Wednesday (2:30pm) meetings in Fireweed classroom (upstairs Ms. Michele's class). Please help to disperse flyers around the community - they are at the front desk!

Updated auction gross is \$31,150 with \$5,850 for the school branded transportation!!! Thank you so much!!

Also, please take a moment to fill out the survey, even if you didn't attend the auction. If you didn't attend, we definitely want to know why so we can do better next year!

AWS Craft Guild is a wonderful way to gather with other crafters and help our school to make items for our store, special events, or just to craft together. We are currently working on Pocket Lady Treasures for May Faire.

GRADE 3/4

3/4 had a very busy week! Our week started with a field trip to the Loussac Library to get books for their Animal Reports. The children are very excited about doing their Animal Reports and creating Animal Dioramas! I can't wait to see how they turn out! Then on Tuesday 3/4 had their class play: Loki the Terrible Trickster. They had a blast performing and put on an incredible performance! On Thursday 3/4 attended the Ugly Duckling at the Discovery Theater downtown. The performance is all done through puppets and light-wire effects. It was brilliant to watch and the children were all entranced! Phew! And that was the end of our short week.

We all had fun and we can't wait to see what's happening next week!

Happy Spring everyone,
Sophie

GRADE 3/4

GRADE 5/6

Grade 5/6 is very excited to perform their play "The Lion, the Witch, and the Wardrobe" on Wednesday this week. It seems fitting that they will be performing the play and witnessing spring in Narnia just as spring is beginning to occur in Alaska...the migrating birds are back, some plants are starting to emerge, and the sound of running water can be heard as the snow

melts! However, winter is not over just yet. Last week we had a lovely time Nordic skiing at Hillside. We skied to a beautiful tree swing in the forest and visited a huge boulder that the students enjoyed sliding down.

GRADE 7/8

Dear Community,

This is our last week before our week long 7/8th grade trip - we were just able to enjoy three sun filled days in Seward during the latter part of last week. Hiking fifteen miles in total with packs out and back from Derby Cabin. The animals came out to play for us and although there was lots of snow we were able to stretch our hiking legs and explore a little bit more of our wild Alaska. This trip also helps us get ready for our September trip through the Chugach Mountains - Williwaw and Long Lake. Always looking forward - thank you again.

Shannon Herda
